Mr. Harold Weisberg

Frederick, Maryland 21701

Dear Mr. Weisberg:

Thank you for sending the New Times clippings which I have turned over to the editors.

From your earlier letter, I assume you have no objection to my giving a copy of your letter of November 16, 1976 to Mr. Lane.

If you or someone else believes that he has been damaged in some way which involves Prentice-Hall, I trust we will be informed.

Thank you for taking this trouble.

Sincerely,

Peter C. Grenquist
